

Start your journey to financial wellness

CentSai Education content is relatable, timely, and based on real-life situations, with real-life problem-solving. A flexible, engaging, and relevant solution for a new world and changing learning environment, our **LMS** is designed for individual learners to work at their own pace and gain qualifications in the subjects that are interesting to them.

We meet you where you are!

Whether you are just starting your career, planning on buying a house, interested in investing, or getting ready to retire, CentSai Education has a course for you.

**All content meets every Council for Economic Education (CEE) standards for middle and high school.*

You don't have to be an expert mathematician to be good at finance.

Financial Education can seem complex and overwhelming. But given the current state of the world, we cannot afford to be unaware of how personal finance can affect every aspect of our lives. CentSai Education is a turnkey solution for learning how to navigate a lifetime of financial decisions — one simple subject at a time.

Financial Education Turnkey System

- Learning Management System with built-in content
- Multiple learning styles accommodated
- Scaffolded approach to learning
- Pre- and post-assessments included
- Educators can use embedded content or create their own
- System can be white-labeled
- Reports and data aggregation features included
- LMS can link to existing digital classroom sites
- LMS content can be accessed through partner digital apps
- Additional content can be purchased through CentSai
- Vetted by a Ph.D. in Financial Literacy

About Us

We believe that **storytelling** paired with **action** and **measurable outcomes** is the most effective way to teach personal finance. That's why our articles, videos, quizzes, and case studies will resonate. All content from our LMS has been vetted by financial literacy experts to ensure that it meets the CEE standard.

Our goals:

- Meet people where they are, and help them make **responsible money decisions**
- Help consumers navigate financial products from a place of knowledge, **not fear**
- Cater to a variety of learning styles and life situations
